PROFESSIONAL SUMMARY

Female Urdu/English voiceover artist and AI content creator with 8+ years of experience in voiceover and dubbing, and 3+ years in generative AI content production. Trusted by international organizations, government bodies, and brands across 10 countries for advertisements, narration, IVR, dubbing, and AI-driven video content. Known for broadcast-quality delivery, fast turnaround, and end-to-end production — from script to final master.

CORE SERVICES

- Voice Over (Urdu & English) — TVCs, radio spots, corporate narration, IVR systems, e-learning, documentaries
- Dubbing & Multilingual Production — complete dubbing workflows, lip-sync adaptation, multilingual projects
- AI Content Creation — AI-generated video ads, UGC-style content, product films, children's educational content
